

# secret society recruiting members (hurley ms)

Location **Mississippi**  
<https://www.genclassifieds.com/x-634866-z>

you must live close enough by to travel to Hurley Mississippi or to mobile Alabama to join. if you can't then don't reply to this post it will just be a waste of our time.( We are a secret society that is founded around conspiracy and investigating secrets. we are founded mostly around the new world order and agenda 21. we have secret rites rituals and initiations. nothing we do will cause you harm. it's about trust on initiation. we seek knowledge and those that can provide it. any one male or female 18+ can join if they believe in the constitution and believe that they're is a shadow government running things. they're is a catch once a member always a member meaning you can never give out our secrets to non members. we have secret hand shakes forms of identification as well. we also have our own cryptography that even the CIA couldn't break. we don't give out much info but our main goal is getting to the bottom of things. such as the new world order, agenda 21 and other supernatural things. you must have an open mind to join. new members have to petition to become a member and get a vote. if they are accepted they are initiated. then they are family of the society. initiation is based on illusion and trust. you want be put in danger. but those that don't pass initiation get no knowledge and are told to walk away. we don't accept free masons, illuminati, skull and bones or any other secret societies members. we have a website its crappy but they're [www.dustandshadowsociety.webs.com](http://www.dustandshadowsociety.webs.com) but you want learn anything new. this is as much information as we give.
