Sears X Cargo XL (100 USD)

Location **Indiana** https://www.genclassifieds.com/x-634899-z

Huge roof top box. Barely used, great condition. Xcargo XL model, attaches to cross rails by four easy-on u-bolts, install takes about 5-10 minutes. This was a great roof top cargo carrier that helped us move to Indy, now its just taking up garage space.

Asking.
