I am selling my 2001 Yamaha YZF-R1 at \$3500 it spent this summer in the garage with only a few rides. This bike is in excellent condition at 14 years old. It currently has 14000 miles on it and has only been a commuter bike from Caldwell to Boise and back since I have owned it. Has four minor cosmetic issues as seen above. This bike has never been laid down but the previous owner did drop it in his driveway (cause of cosmetic issues). Runs great, have had no problems with it, and just got new tires last fall. If interested text me at two0eight-Fiveseven1- six2ninefive. I may be at.
