Have a set of wheels and tires that are brand new. They were for a project, but I sold tge project so I no longer need them

Wheels are Us Mags Indy mag 15x7 and 15x9 5-4.5 bolt pattern.
Tires are Bfg Radial T/A sizes P235/60R15 and P275/60R15.

This setup costs over \$1200 new, my loss is your gain, selling for only \$1000 and everything is brand new with zero miles. They only were put on the car to check how they fit.

These will fit early Mustang, Mopar and Amc cars. May fit other cars as well, but I am not sure what else.
