Musicians and Dancers

This is a general posting for all musicians and dancers.

Female Indie Recording Artist, is adding musicians and dancers to her database.

Musicians: She is looking for professional, reliable musicians (all instruments) to back her for various events over the next year. These are paying "work for hire" and gigs will range from coffeehouses, churches, concerts to album tours. Some of which could be starting in the next month or so. Some events might need a small acoustic sound whereas others might need a full band. Her Maine album tour is planned for mid 2016. Eventually she would like to have more of a permanent backing band, so please let us know if that could be of interest to you.

Genre/Sound: Pop

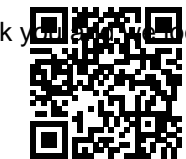

Repertoire will vary depending on event/venue. For those that are concerned about doing Christian music, we encourage you to listen to Christian artists like Blanca, Britt Nicole and Toby Mac to get an idea of the type of music you will be doing.

All are welcome to apply. Please tell us a little about yourself and your music. Links to samples are welcome.

Dancers: We are also looking for male and female backup dancers. You don't have to be a pro, but at least have rhythm and willing to learn. We don't really have an age restriction but all minors will need written permission from a parent.
