Hi,

I have over 8 years nannying experience and excellent references. I now work full-time at a non profit in town, but am looking for a family who needs either early morning care and/or evening care a few times per week. My experience includes caring for ages 2 days-12 years, twins, autism, food allergies, sensory integration disorder, tutoring, overnights, and much more. I would love to create a lasting relationship with a family in town.

Please email me for more information.
Thank!
