Cable Tech

Location **Missouri**
https://www.genclassifieds.com/x-635034-z

We are looking for residential cable installation techs. Pay is piece rate and can range anywhere from $800-$1800 weekly. Pay is per point. $1.80-$2.00 per point depending in experience.

CATV experience is required. We can make arrangements to provide training if willing to go to Columbus, OH. Training and training expenses are unpaid.

Must have own truck or vehicle capable of carrying ladders.

We also have other cable installation related opportunities in other locations if willing to travel.
