

## **Vinyl Car Wrap Installer (St.Louis)**

Location **Missouri** https://www.genclassifieds.com/x-635056-z

My company is looking for a vinyl car wrap installer. We have 5 vans and 1 bus to wrap and we are looking for someone who has experience in car wrapping. This is contract work and could potentially end up being a lot more work as we continue to grow. If you have experience in wrapping cars please email me today. You must be willing to potential work at nights and weekends to make sure the jobs are done in a timely manner.
