Location **Indiana**  
<https://www.genclassifieds.com/x-635097-z>

We are looking for talented guitarists (rhythm and lead) and bass guitarists to play in the worship band at First Church in DeMotte. We have people in all these positions, but as attendance grows, we need to have more musicians available each weekend.

You would be on a rotation with the other musicians, most often playing on one weekend, then off the next. Rehearsals are Thursday nights from 7pm-8pm. Sunday morning call time and run through is 7:45am. The service itself is at 10am every Sunday morning.

You must be proficient on your instrument and comfortable playing in front of hundreds of people. Current attendance is averaging 350 each week.

This is a volunteer position.

Please email or call to set up an interview and audition. For more information about First Church visit [www.frcweb](http://www.frcweb)
