

Low cost, Certified, Quality repairs (Meridian)

Location

Idaho

<https://www.genclassifieds.com/x-635100-z>

I am currently running summer specials on all vehicle repairs. I charge a much lower price than all other shops, all my work comes with a written warranty and I get parts for less than retail prices. I offer AC service and repair, sensor replacement, suspension repair, exhaust, engine, cooling system, drive train, all fluid flushes, timing belts and so much more. I'm ASE master certified with over 18 years experience. I also specialize in German/Import vehicles as well. Diagnostics are always free along with check engine light scans. Before taking you vehicle to a shop give me a call or a text at

anytime. If I don't answer please leave a message and I will get back to you as soon as.
