We are a growing home remodeling company that specializes in quality home improvements and repairs. We understand your home, your time and your money are valuable and that the last thing you want to worry about is an issue with your home and an added expense. Or perhaps you are just looking for a change and need someone to bring that idea to life. With 50 + years combined experience, we offer an honest and thorough approach to your home improvement and repair needs.

F & L Home Solutions services include:

Painting
Carpentry
Kitchen and bath remodels
Laminate and hardwood flooring installation
Tile installation and repair
Trim
Window and door installation
Deck installations and repairs

Most importantly, we offer peace of mind and the assurance of a job done right.

Contact Mike or Jim for a FREE estimate and let US help YOU take care of your home.
