Location **North Carolina**
<https://www.genclassifieds.com/x-635233-z>

Come check out the new acoustic open mic/after work jam at the Compass Rose Brewery this Wednesday from 6-9. Just bring your instrument and be ready to show everyone what you've got! It's a great environment to work on originals, covers, or collaborate with other musicians.

Compass Rose has an amazing selection of local craft beers and it's also pet friendly so you can bring your pooch along to support you!

Sign up starts at 5:45.
