I have one full time spot available. My hours are Monday - Friday 7:30 am to 6:00 pm. I provide 95% organic breakfast, lunch and snack for all children age 1 and over.

We have structured days which include curriculum and crafts, singing songs, reading books, dancing, playing instruments, dress-up and many different types of toys. The curriculum is set up so that each child works at their level and when the child gets ready to start school they are more than kindergarten ready. We go outside daily for at least an hour weather permitting. We sometime play in our fenced backyard or we go for walks to the park, library or the local private swimming pool.

We have a lot of fun and would love for your little one to come join us. My daycare name is A Nurturing Home Daycare License #92002883. Please give me a call, text or email with any questions or if you would like to set up an interview.
