Young female brindle and white large bully breed dog. She got one of my roosters and i have her crated on my front porch. I need her owner or a rescue to take her soon, because she is causing chaos around here with my inside dog and my outside dog. She is clean, not hungry and no fleas or ticks. I will only turnn her over to a person thay can describe her or a rescue. Im in the white oak area about 3 miles past the shopping centers off of hicks road. Photos.
