

**StateHelp.us**

Most people do not think they have a disability - just because you aren't physically disabled doesn't mean you don't qualify for the benefits. Mental disorders are classified as a disability. Even stress! If you have been treated for depression, insomnia, anxiety, then you qualify to get paid monthly because of it. See if you qualify to start getting paid now!

we can find you work and get you paid today! if you are struggling to find work due to a physical or mental disability then you qualify for monthly pay checks. visit our website and we can help you!
