Letter to Laurel and Hardy "Bufs"

Dear Friends of Laurel and Hardy,
I am also a big time "Buff" of Laurel and Hardy and I have been for over 50 years. I have moved to Boise, Idaho recently and I checked the internet and I didn't find any local fan clubs in Idaho.

I am trying to find people who are interested in becoming involved in a Laurel and Hardy discussion group or a fan club of some kind. "Sons of the Desert" is what the Official fan club is called.

So if you are interested in having a discussion group or a meeting with others, just answer this advertisement.

Thanks
