We are a U2 tribute show wanting to perform shows here in Boise and the Treasure Valley. I, The Edge, (and producer) have recently moved to Boise and now call it home and would like to help bring this show here.

We support live independent music and community events and are wondering how we can help the Boise community by bringing a high level show here. Send myself an email and let's connect on opportunities. We are interested in playing Over 21 venues, all ages venues, local festivals, fundraisers, and any other project we can support. I have access to two world-class Bono impersonators so I can have a Bono impersonator brought in for personal appearances where Bono & The Edge perform acoustically as well.

I am also willing to perform some songs acoustically for smaller appearances and willing to lend production skills to other shows here in Boise as well. I have also performed as John Lennon in Las Vegas. Overall, I just want to help in any way I can while I'm here. I'll even mix a live show if you need. We're loving Boise so far and the opportunities it brings, so please reach out, send an email about anything musically and let's connect. Even if you just want to invite me to your shows as a fan I'm always willing to grab a beer and watch your performance. I'd like to get to know the community better.

There's talent here and I've already seen some decent shows at Knitting Factory, The Reef, Pengilly's, and The Egyptian. I've even karaoke'd John Lennon at Neurolux. Send me an email and say Hi and let's

see what high level opportunities we can create
