Plug&Play wireless microphone system, including SR40 mini2 dual channel receiver, 2x HT40 mini handheld transmitters, SMPS switched mode power supply (EU/US/UK), 2x AA batteries Plus 2 10ft Mic Audio Cable's.I got it straight from the Music Company Online it is fully sealed Brand New with the original box it came in plus the shipping box.I want another Brand of Mic so that's why I'm selling this one.I came accross the other Mic after I ordered this one and had it shipped out.I only opened the shippment box to see what the box with the Mic looked like.It is fully Sealed and has never been opened as it would be on the store shelf.I payed 173.99 for it and it comes with a 2 Year Warranty.
