Location **Maine** https://www.genclassifieds.com/x-635400-z

Featured is a lovely Victorian fairy doll, dressed in a sequined velvet burgundy and red dress, complete with a cameo brooch at her neck and charming red fairy wings. She measures 16" tall and is in a seated position. Her beautifully hand painted porcelain face is exquisite. Her porcelain hands hold a red rose, and her porcelain legs show pantaloons and porcelain shoes. Her blond hair is braided at the top and flows in curls down her back. She is truly!
