I have listed For Sale: A large 180ft X 100ft flat lot, with water, sewer, electricity. On the par 4, #3 hole, first half of the fairway. Straight across from the ladies tee box. I have owned this lot since

May 1999. It is a prime and beautiful spot to build a house. A short golf cart ride or walk to the clubhouse for breakfast, lunch, or dinner. Happy Hour maybe! You won't find a better suited location, besides lakefront, (cashy), to build the home of your dreams. The golf course is the best around for the money. The only course you will ever want to play. The lake is the most beautiful around. It is an 800 acre lake, S shaped, with 2 beautiful public beaches. 1 just a short golf cart ride or walk. Starting in September of this year, Oak Run is building a new clubhouse, restaurant and bar. Pictures are available from me of this project. The lot 2 from this is for sale for #29,800. I have priced my lot to sell for \$19,950. I am confident anybody will be sold when they see the lot &.
