Are you interested in being in a study of a new investigational birth control patch? We are inviting women to join a clinical research study of a new investigational contraceptive patch.

Contraceptive study patches and all study check-ups will be provided at no cost to you. Compensation for time and study travel may be provided.

You may qualify for participation if you:

- * Are 18 years of age or older
- * Are sexually active at least once a month
- * Need to use birth control
- * Do not wish to become pregnant for at least 1 year
- * Are able to use the investigational patch as your only form of birth control for at least 1 year

Other study requirements (which will be assessed by the study personnel) will also need to be met before you can join the study.

To learn more about the study and to see if you may qualify, please visit our website at secure-study.com, or call us
