Tiffany cat needs home. We tried to keep him, but he attacks my older cat. VERY, VERY lovable. He burrows under the covers to lay next to our legs, he "chirps" and give the most adorably pathetic meows. He tolerates the dog, but is NOT okay with other cats. My cat used to have the entire house as her territory, now she's confined to a small bedroom, and he even goes in there to attack her and pull out her hair. His ONE flaw is that he's cat-aggressive. We have small children, and he loves them just fine. He also needs fixed. No rehoming fee.

He's such an amazing kitty, that we'll be doing a home check. If you're not okay with this, then he's not going, and don't bother emailing me telling me his home isn't my business. As of right now, he's my responsibility, whether some stranger likes it or not. I have fostered and rehabilitated many cats and dogs, I am not new to the idea of homing. Your can come meet him here in my home, in his natural, unstressed setting, and we'll go from there :)

Email for photos, CL mobile isn't letting me.
