Putting an original band together (Las Vegas)

Are ya tired of the same old music in Vegas? Wanna get with something you can sink your teeth into? Wanna put Vegas on the charts? Well I'm putting a band together. I need a singer/rapper and a lead vocalist (preferably two females but there are no limits). I need an open minded thrasher on the guitar who knows no limits and a drummer who dreams in beat and in tune. The music isn't gonna be the norm, I'm doing a bit of metal/funk/rasta/punk. Lots of room to put your talent, style and originality to use. There is a goal thus there is a future. Get a hold of me if you are for real. No drama. Contact me if you are.
