

# Need Yard Help (N. End)

Location **Idaho**  
<https://www.genclassifieds.com/x-635493-z>

We are having a wedding in our yard in early Sept. and need help getting the yard spruced up. The job is really mostly weeding but could turn into more... We have several flower beds and the perimeter of the yard that needs the most work. We are also doing yard work ourselves but this job is too much for us. We can pay 15.00/hr to the right person. We want someone willing to put in hard work, as we know that is what it takes. Please respond to the CL email with your information and a few references and I will get in touch. Thank
