Location **Idaho** https://www.genclassifieds.com/x-635509-z

calling all Women in the Treasure valley!

We are getting ready to shoot the 2016 Idaho Girls N' Guns Calendar.

This is a nude photo shoot using REAL firearms. We are looking for a little miss country thing, 12-14 of them actually. This is an outdoor photo shoot using natural lighting, we would prefer models with some experience, but are willing to teach someone who is new. The shoot will most likely take place near Idaho City, depending on weather the shoot may be moved into the owyhee mountains (south of nampa)

ALL MODELS MUST BE OVER THE AGE OF 18 WITH TWO VALID FORMS OF GOVERNEMNT ID. NO EXCEPTIONS. PERIOD.

When we are shooting a safety officer will be present to ensure safe firearms handling. Needless to say, felons needs not apply. Drugs and alcohol are also not welcome. Showing up intoxicated will be grounds for termination.

Models are asked to bring swimsuits, lingerie, and jeans.

Compensation will be discussed, the average rate is \$300 for the shoot, if you're willing to carpool to the site it would save a bit of gas.
