Do you sing, phrase, sound like Frank Sinatra? If so, are you familiar with all his popular songs? I would suggest to know by memory the 1966 Live At The Sands with Count Basie. I have a showband with those charts. We don't have time to "spoon feed" this to a vocalist so you would have to be prepared. I have a big band with all those charts exactly like his recordings. If you possess that talent we would like you to come try out your chops in a rehearsal. Tell me about yourself and let's talk. The group currently rehearses in Middleton with some players coming from as far as Boise. No pay yet but looking to do shows, possibly New Years,.
