PINARDVILLE/GOFFSTOWN HOME PRE-SCHOOL/K

I provide a safe, loving, quality, educational environment for your almost 3-year-old and up. I have many years of experience as a dedicated pre-school/k teacher with a Bachelor's Degree in Early Childhood and a minor in Psychology. I am also employed at a local church nursery (on Sundays, where I have had a background check-just to let you know for your peace of mind). We do fun, hands-on learning activities, some paperwork, as well as "jobs", such as calendar, weather, fish feeder, etc. I am able to offer lots of TLC, as well as an individualized learning program suited to your own child's needs (academic, developmental, social, etc.) due to a superior child/teacher ratio. I am very patient, positive and consistent. Large, fenced-in yard for fun and physical activity. Drinks and 2 healthy snacks/day. Easy access to Manchester, Bedford, and Route 114/101. CPR/AED certified. GREAT REFERENCES! If interested, please e-mail me the age of your child, hours needed. Thank-you so much!
