

Blue Russian Cat needs new home (Skillman, NJ)

Location

New Jersey

<https://www.genclassifieds.com/x-635547-z>

We have a blue russian cat named Olga. She is is approximately 10 years old (not exactly sure because we adopted her from a shelter about 6 years ago).

We love her but our toddler started developing cat allergies and we have no other choice than giving her to a nice loving family. She is a very nice indoor cat who loves to sit next to you and purr. She does not have any claw on the front.
