I am looking for a live in nanny for my 2 kids, starting in September. The youngest is a girl who is 8 and our other daughter is 12.

MUST have a car and be willing to drive children to and from school which is just a few minutes from our home. The kids need to be at school at 8:00 AM (about a 3 minute drive) and are picked up at 3:00 PM, Bedtime is completed by 8:00 at which point you are free to do as you please. Homework help, laundry help and some house cleaning help is also required.

The perks: 1) Its a 5 day work week EVERY week. Saturday and Sunday are yours, unless we plan otherwise in advance and pay extra for the time. 2) We will add a gas allowance on top of the base salary that is agreed upon. 3) You are a 20 minute train ride from NYC and the train is 2 blocks from our home.

Salary would \$250-\$300/week not including gas.

Please feel free to contact me with any questions. We are really hoping to find someone we can be relaxed around, have fun with and generally be a part of the family.

Thanks!  
 Gary and Courtney
