I have a Bully Dog downloader, Bully Dog outlook monitor came off off a 2004.5 Dodge Ram 2500 cummins truck.

Bully Dog Downloader and monitor will work on dodge, ford, or chevy and GMC diesel trucks

This includes everything you will need to have on the fly adjustments, 3 power settings

I paid \$800 for the set so you can get then for half price

\$400 obo or maybe trade

No spam or low ballers
