

STILL NEED A BURNING MAN TICKET TWO TICKETS UP FOR GRAB

Location **New York**

Hey y'all!

My girlfriend and I bought two tickets to the burn but are unable to go. I am happy to validate them for you (we have the original Ticket fly confirmation or share our email correspondence.) We know how sensitive ticket purchasing can be. I purchased them for \$1500 from a friend and will be selling them back at the same price. No exceptions sorry!

Catch em while you can,
