I am a kind, loving, compassionate and friendly college graduate seeking F/T time job opportunity as a Personal assistant/nanny/babysitter. I understand the worries parents have in seeking reliable and efficient care for kids. I will ease that worry, I have over five years working as a nanny/baby sitter with kids 0-12 years, very compassionate and will provide a safe, learning and loving environment for your most treasured gifts .. Food prep, clean, will assist with home work and all essential care for your kids and home. I'm certified in First aid/CPR/ AED. References available.....Please feel free to contact me when we can further discuss care for your love.
