

# DRUMMER AND BASSIST WANTED (LAS VEGAS)

Location **Nevada**  
<https://www.genclassifieds.com/x-635814-z>

I am looking for a bassist and a drummer, preferably with background vocal ability, for ongoing paid gigs in Las Vegas. I'm a Vegas vocalist/piano/keyboardist who's been working in Vegas full time for the last 12 years. Have connections for good gigs with solid pay, but currently looking to get the right core of musicians together. Influences in Funk, Pop, some dance and some jazz, but mostly up tempo music.

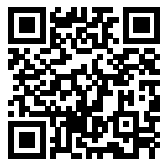

Above everything else, talent is key. Looking for very good musicians. Please respond with any questions, and if you have any videos, promo material, links etc., that would be really helpful. I will respond as quickly as I can to any interest here, but I haven't used Craigslist before so I'm learning as I go. I posted on a couple Facebook sites as well.

Thanks
