Lost Black Soft Cover Sketchbook & Tan Cloth Roll Containing Pencils, Charcoal, etc. Art student placed items on top of car when pulling out of back parking lot of Hampton Inn. Drove to gas station on corner & then to Panera Bread. Sketchbook blew off driving on Allen Drive between Panera & Faidley Rd. Don't have much hope for pencil roll but offering reward for return of Sketchbook and/or pencil roll. Will be traveling back through town on 8/13 or 8/14 & can pick up then. Help!
