The apartment is located walking distance to Duke West Campus near the intersection of Morehead and Anderson Street. I've lived on the block for 9 years and have had a great experience with all of the neighbors. It is a great street with professors, retirees, young parents, and a number of long-term Durham residents.

The apartment was recently 100% remodeled. Here's a list of the apartment amenities:

- -Stainless steel/black appliances
- -Exposed brick accent walls
- -Solid wood kitchen cabinets
- -Granite kitchen counter top and breakfast bar
- -New Dishwasher
- -Washer & Dryer
- -White subway tiled bathroom
- -Ceiling fan in master bedroom
- -New stainless steel microwave over the stove
- -Cable/phone outlets in the living room/bedroom
- -Thermostat controlled central air and heating
- -Large outdoor patio and small hard for planting a garden/plants
- -Water is included in the price
