A little about us: My husband and I are in our early 30's and have 3 dogs. We live in a 4 bedroom house in a established development in Clayton. We are looking to rent out a furnished or unfurnished room to a mature professional or a student. You would have your own bathroom except when our family is in town. We both work Monday - Friday and prefer a low key house during the week. We both drink socially and are non-smokers and drug free.

Rent would be \$600 a month with utilities included. We have WiFi and cable too (you provide your own TV and computer)

If you think you would be a good fit, please respond to this.
