I've been a groomer for 27 years, I used to own my own shop called BARK-N- BARBER, located on Memphis ave.. I now groom out of my home. The overhead is lower, therefore my prices are lower. My complete groom includes, haircut, bath, nails, ears and I express the anal glands. I have same day appointments available. Evening hours also. I'm offering 5 dollars off a complete groom for new customers. Call today and get groomed today. Danette. Cell (text)
