15 gallon with hood/light, filter
 10 gallon with hood/light, filter, heater
 5 gallon hexagon with hood (needs a new bulb)
 Stand that works with the 10 or 15 gallon
 Misc., gravel/rocks, two gravel vacuums, two nets, filter cartridges, a tank scraper, beta food, bloodworms, mealworms, PH test kit, salt, crystal clear drops, and decorations

I haven't used any of the equipment in a few months so it could use some cleaning, but I set everything up this weekend and it's good to go, everything works, no leaks, etc. Selling everything for
