

LOST KITTEN PLEASE HELP (3022 7th st w West Fargo)

Location
North Dakota
<https://www.genclassifieds.com/x-636032-z>

The window was left too wide open and the screen is broken, and she escaped while I was gone to work. I just noticed this as I got home for lunch. Please call me if you see her!!! She did not have her tags on, as I keep her inside and she doesn't like wearing her collar. She is calico with a white tummy. She is only 7 months old. Please help me find her!! Her name is.
