

V4 Mode Delete

Location **Oklahoma**
<https://www.genclassifieds.com/x-636044-z>

Range AFM delete. Just plugs into your port under the dash and turns off the V4 mode on the truck , no more drone in the cab and constant up and downs in and out of V4 and V8. Used for about 5 months and traded truck in.

Works great.

100.00 OBO
