My last post was flagged and removed, but I am very serious about this.

Looking for an attractive house cleaner to clean my house about once a week. It would probably be for 2-4 hours. I will pay \$100 an hour for you to clean in lingerie (which I will provide) or \$150 an hour if you clean in the nude. There will be no physical contact. I am very serious about this and I haven't gotten any serious replies yet. So please include the following in your email:

Age

Height / Weight

Bra Size

Dress / Pant size

Photos (preferably including face and in lingerie or a bikini)

Any email which doesn't contain that information will be ignored. If you don't feel comfortable sending a lingerie pic, that's fine. But at least send something that shows off your.
