Hi!

I'm 22, female, looking to move out immediately. Hopefully seeking a one bedroom or studio apartment, I am willing to take over a lease or whatever. My budget is up to \$800, if it's the right place! I am a normal, college kid and my parents have raised me to be a respectful, clean housemate and I will treat your place with care. Let me know if you have anything that sounds like this! Thank!
