Now taking reservations for fall, ski season, spring and summer 2016. Fall and Spring Special - rent for two nights and get the THIRD NIGHT FREE! Still available for the Christmas and New Year holiday.

My guests have EIGHT SHARC passes to use as much as they please. Entrance to SHARC is \$25 for non-owners so this is a huge savings. The passes also allow my guests to use the tennis courts and marina.

Come experience our cozy home at Sunriver and enjoy our NEW hot tub, deck, and KING bed. We have also just build a new garage and added a ping pong table and four new cruiser bikes (in addition to the 5 bikes we already have). Eight SHARC passes available for our guests at no additional charge.

Our European-style home has three bedrooms (one KING, one queen and six bunk beds), two full baths, a beautiful new hot-tub that is great for star-gazing, wood-burning fireplace, WI-FI, fully equipped kitchen (even a stove-top espresso maker and fondue pot!), European down comforters, cozy robes, adult and kid's bikes (9), full-size washer and dryer, air conditioning on the first level, and many extras. Large green space off the deck for quiet enjoyment. The location is excellent - on a quiet cul-de-sac in easy walking distance to the mall, lodge and river. This house is very family-friendly with lots of games, foosball table, ping pong table, horse-shoe pit, high chair and crib. But it's also the perfect cabin for a romantic get-away!

A recent guest left this entry in our guest book: "What a wonderful place for our family get-together. Your home is so comfortable, geared toward activities for our four grandchildren... even bikes for Grams and Grandpa. I never thought of a home with all the equipment that we like you have. It made me think it was so easy to find a place you have all sorts of things. It's equipping it all to make it so comfortable for our family to stay. Just what we needed."

Another guest wrote... "I just wanted to send a quick note thanking you for sharing your beautiful home with us. Your home was very comfortable and we felt like we were in Germany again ...where I lived for 7 years! My family had a great vacation and we created many wonderful memories. Cassandra"
