Hey im selling my 98 dodge durango slt its got a nice 5.2 ltr v8 in it she only has 133k on her which is pretty good for a 98 i have always kept up on the oil changes so she has been well maintained the 4 wheel drive works great i have drove it in the snow storms and i have had no problems. I have a thrush glasspack on her on her but its clamped on so if you dont like it then i can put the original stock muffler back on it

CONS

May need a new speed sensor

Has sum rust on the body but not much

PROS

engine runs great

Has a thrush glasspack tht dumps out the botton right under the rear axle

Has aftermarket fog lights on bumpers

The 4WD works

Low miles

INSPECTION GOOD TILL

12/15

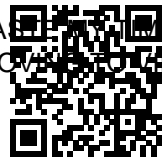

SHOOT ME YOUR BEST OFFER AND NO I WONT TAKE 1500 ALSO LOOKING TO trade for a MUSTANG GT years 94-04 TXT or CALL me Lets meet up and make a deal
