Apollo killuminati

Don't know who he is? You should!

https://m.soundcloud.com/apollo-killuminati

As an upcoming artist he has several songs out and is looking to expand his fan base. And spread the truth. We are looking for like minded artist that would like to do shows, events and gigs with. Not opposed to collaborating together either. He is a rapper and is looking to do some rock as well. If this fits you please contact Melia
