Con Classifieds.com LOST DOG PLEASE HELP NOBLE OKLAHOMA (NOBLE)

Location Oklahoma https://www.genclassifieds.com/x-636137-z

I hired a sitter with Rover.com and she lost my dog on July 3rd. She is a white miniature American eskimo that has a red tag with the name Dakota on it. She has been our dog for 13 years and is partially blind and partially deaf. She disappeared from this address 14847 26th B Street Noble 73068 We tried looking but no luck. We are offering a cash reward for the safe return of her. Please contact with any.
