Gorgeous Adult Female Bengal

Location Oklahoma https://www.genclassifieds.com/x-636142-z

This is Layla. She's a full blood Bengal without registration, simply because we never got her registered. She's very affectionate & needs lots of love & affection. We don't have time to meet these needs & would like to find a family who does. We are asking \$400 for her. If you would like more information on her, please contact me. Thank!
