Lost Black/Brown unaltered Male Chow dog on 7/19/15 in NE OKC. His name is Bear and he is about 2 years old. He has a blue/black tongue. He was not wearing a collar, but had a blue vet leash on with the Pet Vet logo on the side when last seen. His fur is shaved short except for his tail and around his face. He has several healing scabs on face, neck, and legs! He was a rescue that had been severely neglected/abused that we took to the vet and were nursing back to health. He can be apprehensive of strangers, but is very sweet when shown some kindness. He is sorely missed! Please e-mail us through CL if found or with any information on his whereabouts! Thank!!
