If you see, that this summer is not just about a laying on the beach or if you see, that you drive a lot around in any case, or maybe you love to bike around the great city of Portland, then earn some cash or maybe even a good supplemental income to your main job or part time job. I'm looking for some people who can or may to find abandoned, vacant houses in good areas, that could use some repairs. . . . . long story short -- I buy them and rehab. If you find a house, that is vacant or not, looks kind a shabby, and amongst decent properties. . . I pay for this kind a referral 1000, if I'm able to buy (finder's compensation) 1099. Nock on the door, ask a question, if it is not a vacant but looks a quite neglected property. Who knows, maybe the people want to move, but they don't have money on the repairs to sell it. But anyways, you get an idea, and more ways to recognize them and find them I can share when you Call and leave a message, please. I'll return them all, or I'll try them all, because I believe I will get a few of them, for sure.

My Phone number is Chuck, and you can call any time till 10 pm. [www.charliebuys-yourprop.us](http://www.charliebuys-yourprop.us)
