5 year old, spayed, all shots up to date, rabies tag, female Pomeranian-Chihuahua, to a good, stable home. She is loyal and loving. I would prefer to give her to an elderly couple because she WON'T walk on a leash. Somebody with a yard for her to play in. She good around kids but kids can be rough sometimes, and I worry about her getting hurt. I have 13 grandchildren and have never had to worry about her getting aggressive. (Just the other way around, actually). Please call with any questions. Thank you. She is tan, about 6.
